## Creating a "Short Cut" to the UPLOADS App on your Smart Device

The UPLOADS App is a web-based application that is accessed through your devices web browser. You can create a short cut link to the UPLOADS App on your home screen, so UPLOADS "looks and acts" like a regular App on your smart device. To create a short cut, follow the below instructions.

Using an Android Device						
Step 1.	Step 2.	Step 3.	Step 4.	FINISHED @		
Open <b>Chrome</b> on your Android device (Use version 49 or higher for an optimum experience).	Navigate to app.uploadsproject.org	Click on the three dots in the top right hand corner of the screen.	Select "Add to Home Screen".	You can now access the UPLOADS App by the clicking on the icon located on the home screen.
